## Your Social Tourism Low Season Solution!

As a Tourism Service Provider, eCalypso is an ideal partner if:

- ⇒ Looking for low season solutions
- ⇒ Aim at a secondary market avoiding overflow into last minute recourse
- ⇒ Supply specific market niches and maintain a socially oriented offer
- ⇒ Seek Project Partnership For Travel Related Experiences and synergies.

eCalypso is your B2B platform that supports coverage of low season by aiming your offers to specific target groups and within a specific socially oriented philosophy.

Joining eCalypso as a basic member gives you full access to full range of tools to get you into the online market. eCalypso offers all members a free channel manager, holiday package manager (a unique innovative tool to develop full range packages) and the eCalypso sales platform aimed at exposing offers to professional tourism operators and social associations & organisations throughout Europe and abroad. You will not only be able to build packages, place specific requests for partners through open calls, but also reach an extensive market dedicate to the 4 specific target groups of eCalypso.

So, don't wait anymore, come, register, do business on eCalypso!
